Quality Sound Improves Overall Experience

- Attract more fans to your athletic events.
- Give your teams a greater home field advantage.
- Generate more revenue by involving your community in school activities

Accomplish all your goals by rewarding your fans with a professionally designed sound system – guaranteed to put an extra charge in your games, pep rallies, graduation, and other assemblies.

Renaissance Communication Systems, Inc. is a systems integrator offering design, engineering, installation and maintenance of professional sound systems.

We are highly experienced in the specialized area of sound, and have earned the trust of many school officials throughout Illinois.

Call Renaissance today at 847-671-1340 or visit our website at www.rc-systems.com to learn more about developing a partnership. We take great pride in offering the finest sound equipment and services available on the market. A sound professional will be happy to visit your school and provide a no cost analysis of your current sound system and recommendations for upgrade.
